

Waterwise Irrigation for the Homeowner

MAXIMIZE LANDSCAPE RESULTS

MAY 11, 2019
10 am to 12 noon

UC COOPERATIVE EXTENSION OFFICE

2145 Wardrobe Avenue
Merced, CA 95341

A water conservation workshop covering drip irrigation, low water sprinklers and the latest technology to assist the homeowner in using minimum water for the maximum result in their landscape.

The workshop will address:

- The basics of design and installation of new drip systems.
- Conversion of existing sprinklers systems to drip.
- Updating sprinklers systems to new water saving technology.
- New time saving technology to make managing water use in the landscape easier.

ABOUT THE MASTER GARDENERS:

- The Master Gardener Program is a volunteer group within the University of California Cooperative Extension that seeks to be the preferred source of research-based information on gardening, landscape, and resource conservation for the residents of Merced County.
- Master Gardeners accomplish this through extension, informative outreach programs, and the workshops listed to the right.
